

Current Capital Project

The face of Chapin must constantly grow and change in order to provide the best possible educational environment for our children. Directing your Annual Giving dollars to our current capital project can help us achieve these important goals.

Endowment

A healthy endowment is the quiet strength of any independent school. Your Annual Giving gift to our endowment will work for Chapin in perpetuity, providing financial flexibility in the face of inflation and a solid foundation for a secure future.

Operating Fund

Your Annual Gift to our operating fund provides help in the here and now. These dollars will enhance Chapin's current operations and maintain our margin of excellence while keeping tuition levels conservative.

Scholarships

The Chapin Scholarship Endowment aids the increasing number of families who need tuition assistance. Your scholarship donation can make a lasting difference in the lives of many children.

Faculty Fund

The heart of Chapin is its faculty. Your Annual Giving gift to the Faculty Fund will help Chapin offer its faculty the best in professional development opportunities and ensure competitive salaries.
